➤ **Join us to Connect with Armenia's people  
and see faith in action!**

➤ **October 1–10, 2026**

Hosted by local JMP staff, you'll witness the direct impact of faith-based local community development projects throughout this post-Soviet republic. Explore beautiful Yerevan, vistas of Mount Ararat and more!

➤ The cost of the trip is \$2,200 per person. JMP donors receive a 10% discount (\$1,980). This fee is for LAND ONLY and includes food, housing and all in-country transportation. Since 1966, we have been consistently reaching out to over 100,000 Armenians annually across various regions including Syria, Lebanon, Armenia, Istanbul, Jerusalem, and Georgia, actively engaging with and serving our communities holistically— be it socially, economically, or spiritually.
