FINAL CONFERENCE IN IRELAND

A celebration of
achievement!

We are delighted to report on the successful U.POWER Final Conference, which took place on November 6th in Kells (County Meath, Ireland).

Hosted by Meath Partnership, this milestone event brought together project partners, participants, and stakeholders from across Europe, both in person and online, marking the culmination of our collaborative journey in supporting women's entrepreneurship.

A DAY OF SHARING AND LEARNING

The conference showcased the remarkable achievements of the U.POWER project, with comprehensive presentations from our international partnership.

The event was enriched by notable presentations from expert speakers:

- Sharon Hughes from The Leadership Academy shared valuable insights on "Setting yourself up for Success"
- Marjan Boers provided crucial information about "Funding through the LEADER programme"
- Fiona Duignan explored "The Sustainable Development Goals and Social Enterprise"

A highlight of the day was the U.POWER participants panel, where women entrepreneurs shared their inspiring journeys and experiences within the project. The certificate presentation ceremony celebrated the achievements of all participants who contributed to the project's success.

“

"There is no limit to what we,
as women, can **accomplish**.
When women support each
other, incredible things
happen."
