MEMORIAL FOUNDATION

HISTORY

The Jinishian Memorial Foundation (JMF) began work in Armenia in 1993 and became legally registered as a local foundation in 1999. Since then it has provided economic, social and spiritual assistance to millions of needy Armenians, and supported more than 160 grassroots and local non-governmental organizations through partnership and collaboration.

Today, JMF is a reputable organization which implements development projects aimed at overcoming poverty in the area. The success of the organization is the direct result of partnerships and involvement in different networks to accomplish our shared goals.

The JMF is primarily sponsored by the Jinishian Memorial Program (JMP) of the Presbyterian Church (USA). Established on May 17, 1966 by a bequest of Vartan H. Jinishian in memory of his parents, JMP has provided basic services and direct relief to millions of poor Armenians who have lived in the midst of conflict and instability in Lebanon, Syria, Turkey, Iran, Iraq, South America, Jordan and Armenia.
